Michelle Leonard OAM

Founder and Artistic Director of MOORAMBILLA VOICES

A multi-arts program for children and youth in remote and regional New South Wales

Join us January 21st for inspiration and to learn more about music as tool for development work.

Moorambilla Voices is an award-winning arts organisation that provides music and arts education programs for children living in regional and remote Australia. Founded in 2006, Moorambilla Voices mission is to inspire and empower young people to explore their creativity and express themselves through music, dance, and visual arts.

This lecture is an open event. No registration. No fees. The event will be held in English.
